Dear Valued Customer,

Starting February 1, 2018, FlexiVan will increase its authorized daily usage pool rates. Our overall costs associated with providing service to our customers have continued to escalate, which leaves us little alternative, but to implement this rate increase. Please note:

- All charges are per chassis, per calendar day or any part thereof, plus tax (if applicable).
- New rates are for authorized users. The unauthorized usage rate is \$40/day.
- The increase does not apply to our FlexiDay® per diem product.
